PAYMENT METHODS:

Beginning in the Fall 2011 semester, the Office of Student Financial Services will continue its move toward paperless operations. This transition will allow students to receive and view bills electronically and to pay online using multiple forms of payment.

The overall goal of the transition is to enable students to manage their accounts 24/7 online, increase payment options and to eliminate waiting in line. The Office of Student
Financial Services located on the 3rd Floor of the Administration Building remains available to students to answer any financial-related issues or concerns.

In the near future, students should check their Kean email accounts for all billing statements, and in the case of registration or financial aid changes, view their accounts on KeanWise for the most current status.

Both the electronic bills and KeanWise will have links directing students to either make a payment to settle their account in full or to enroll in the Tuition Management Systems Deferred Payment Plan. Deferred Payment Plans are not available during the Summer and Winter Terms and cannot be applied toward past due balances.

The cost for paying the bill in person as well as on line will be 2.54% for credit cards (Visa, MasterCard, and Discover), paid by the student. Personal checks may be tendered online via KeanWise, at no cost to the payer.

The following payment methods are accepted in person at the Office of Student Accounting during regular business hours: Cash, Debit & Credit Cards, Personal checks, Cashier Checks, or Money Orders. Checks or money orders should be payable to Kean University. Postdated checks, or checks made out incorrectly will be returned and may result in forfeiture of your schedule or a restriction placed on your account. The University is not responsible for delays in either inter-office or federal mails.
