Dr. Dawood Farahi
President
Kean University
1000 Morris Avenue
Box 411
Union, NJ 07083

Dear Dr. Farahi:

At its session on January 4, 2016, the Executive Committee for Substantive Change of the Middle States Commission on Higher Education acted:

To acknowledge receipt of the substantive change request. To include the online Master of Science in Computer Information Systems within the scope of the institution's accreditation. To remind the institution of the Commission's request of June 26, 2014 regarding the Periodic Review Report due June 1, 2017.

This action is a substantive change action. An explanation of this type of action is provided in the Commission's policy Accreditation Actions, which is available on the Commission's website.

Enclosed is a copy of the institution's Statement of Accreditation Status (SAS) for your review. If any of the factual information is incorrect, please contact the Commission as soon as possible.

In accordance with the policy Advertising, Student Recruitment, and Representation of Accredited Status, the accreditation status of the institution must be accurately represented. Please ensure that published references to your institution’s candidate status or accredited status (catalog, other publications, web page) are accurate and include the full name, address, and telephone number of the accrediting agency, and the effective date (month and year) when status was granted. Candidate for Accreditation is a status with the Commission that indicates that an institution has achieved membership and is progressing toward, but is not assured of, accreditation.
Please be assured of the continuing interest of the Middle States Commission on Higher Education in the well-being of Kean University. If any further clarification is needed regarding the SAS or other items in this letter, please feel free to contact Dr. Robert A. Schneider, Senior Vice President for Accreditation Relations.

Sincerely,

Gary L. Wirt, Ed.D.
Vice Chair

ACCREDITATION INFORMATION

Status: Member since 1960
Last Reaffirmed: November 15, 2012

Most Recent Commission Action:

January 4, 2016: To acknowledge receipt of the substantive change request. To include the online Master of Science in Computer Information Systems within the scope of the institution's accreditation. To remind the institution of the Commission's request of June 26, 2014 regarding the Periodic Review Report due June 1, 2017.

Brief History Since Last Comprehensive Evaluation:

November 15, 2012: To accept the monitoring report and the institution's response to third party comment and to note the visit by the Commission's representatives. To note that the institution is now in compliance with Standard 6 (Integrity), Standard 7 (Institutional Assessment), Standard 12 (General Education), and Standard 14 (Assessment of Student Learning) and to reaffirm accreditation. To request a monitoring report due by March 1, 2014, documenting evidence of (1) steps taken by the Board to regularly review and balance the roles and relationships among multiple constituencies as well as the structures and processes through which they participate in governance, and (2) steps taken by the leadership of the various constituencies to regularly articulate a shared vision about the mission of the institution (Standard 6); (3) the development and implementation by all non-academic units of assessment processes that
use substantive and direct measures to evaluate and improve outcomes related to unit as well as institutional mission and goals, and (4) the development and implementation by the University Planning Council of written procedures for the regular and systematic use of assessment results in planning, resource allocation, and institutional renewal (Standard 7); and (5) clearly articulated general education outcomes that are assessed in an organized, systematic, and sustainable manner, consistent with the institution's overall plan for assessing student learning, with assessment results that are utilized for curricular improvement (Standard 12). A visit will follow submission of the monitoring report. The Periodic Review Report is now due June 1, 2017.

March 5, 2013: To acknowledge the substantive change request and to provisionally reclassify as an additional location the instructional site at Wenzhou University, WB402, No. 9 Building, Chashan Higher Education Park, Wenzhou, Zhejiang Province, People's Republic of China 325035, pending a site visit within six months of commencing operations at the site. To remind the institution that the monitoring report, due March 1, 2014, should document evidence of (1) steps taken by the Board to regularly review and balance the roles and relationships among multiple constituencies as well as the structures and processes through which they participate in governance, and (2) steps taken by the leadership of the various constituencies to regularly articulate a shared vision about the mission of the institution (Standard 6); (3) the development and implementation by all non-academic units of assessment processes that use substantive and direct measures to evaluate and improve outcomes related to unit as well as institutional mission and goals, and (4) the development and implementation by the University Planning Council of written procedures for the regular and systematic use of assessment results in planning, resource allocation, and institutional renewal (Standard 7); and (5) clearly articulated general education outcomes that are assessed in an organized, systematic, and sustainable manner, consistent with the institution's overall plan for assessing student learning, with assessment results that are utilized for curricular improvement (Standard 12). A visit will follow submission of the monitoring report. The Periodic Review Report is now due June 1, 2017.

November 21, 2013: To note the visit by the Commission's representative and to affirm inclusion of the additional location at Wenzhou University, WB402, No. 9 Building, Chashan Higher Education Park, Wenzhou, Zhejiang Province, People's Republic of China 325035 within the scope of the institution's accreditation. To remind the institution that the monitoring report, due March 1, 2014, should document evidence of (1) steps taken by the Board to regularly review and balance the roles and relationships among multiple constituencies as well as the structures and processes through which they participate in governance, and (2) steps taken by the leadership of the various constituencies to regularly articulate a shared
vision about the mission of the institution (Standard 6); (3) the
development and implementation by all non-academic units of
assessment processes that use substantive and direct measures to
evaluate and improve outcomes related to unit as well as institutional
mission and goals, and (4) the development and implementation by the
University Planning Council of written procedures for the regular and
systematic use of assessment results in planning, resource allocation, and
institutional renewal (Standard 7); and (5) clearly articulated general
education outcomes that are assessed in an organized, systematic, and
sustainable manner, consistent with the institution’s overall plan for
assessing student learning, with assessment results that are utilized for
curricular improvement (Standard 12). A visit will follow submission of
the monitoring report. The Periodic Review Report is now due June 1,
2017.

January 2, 2014:
To acknowledge receipt of the substantive change request. To approve
the relocation of the additional location from WB402, No. 9 Building,
Chashan Higher Education Park, The People's Republic of China,
Wenzhou, Zhejiang Province 32503 to College Road, Li’ao Town, Ouhai
District, People’s Republic of China, Wenzhou, Zhejiang Province
325060 and to include the new additional location within the scope of
the institution's accreditation. To remind the institution that the
monitoring report, due March 1, 2014, should document evidence of (1)
steps taken by the Board to regularly review and balance the roles and
relationships among multiple constituencies as well as the structures and
processes through which they participate in governance, and (2) steps
taken by the leadership of the various constituencies to regularly
articulate a shared vision about the mission of the institution (Standard
6); (3) the development and implementation by all non-academic units of
assessment processes that use substantive and direct measures to
evaluate and improve outcomes related to unit as well as institutional
mission and goals, and (4) the development and implementation by the
University Planning Council of written procedures for the regular and
systematic use of assessment results in planning, resource allocation, and
institutional renewal (Standard 7); and (5) clearly articulated general
education outcomes that are assessed in an organized, systematic, and
sustainable manner, consistent with the institution’s overall plan for
assessing student learning, with assessment results that are utilized for
curricular improvement (Standard 12). A visit will follow submission of
the monitoring report. The Periodic Review Report is now due June 1,
2017.

June 26, 2014:
To accept the monitoring report and the institution’s response to third
party comment and to note the visit by the Commission’s representatives.
To request that the Periodic Review Report, due June 1, 2017, document
evidence of 1) continued enhancement of communication among all
constituent groups (Standard 6); 2) implementation of clear and
consistent expectations for direct measures across all non-academic units (Standard 7); and 3) review of the learning outcomes for general education and consideration of a reduction in the number of outcomes (Standard 12).

August 31, 2015: To acknowledge receipt of the substantive change request and to include the online Master of Arts in Educational Administration degree within the scope of the institution's accreditation. To remind the institution of the request that the Periodic Review Report, due June 1, 2017, document evidence of (1) continued enhancement of communication among all constituent groups (Standard 6); (2) implementation of clear and consistent expectations for direct measures across all non-academic units (Standard 7); and (3) review of the learning outcomes for general education and consideration of a reduction in the number of outcomes (Standard 12).

August 31, 2015: To acknowledge receipt of the substantive change request and to include the Doctor of Physical Therapy degree within the scope of the institution's accreditation, effective upon receipt of state approval.

DEFINITIONS

Branch Campus - A location of an institution that is geographically apart and independent of the main campus of the institution. The location is independent if the location: offers courses in educational programs leading to a degree, certificate, or other recognized educational credential; has its own faculty and administrative or supervisory organization; and has its own budgetary and hiring authority.

Additional Location - A location, other than a branch campus, that is geographically apart from the main campus and at which the institution offers at least 50 percent of an educational program. ANYA ("Approved but Not Yet Active") indicates that the location is included within the scope of accreditation but has not yet begun to offer courses. This designation is removed after the Commission receives notification that courses have begun at this location.

Other Instructional Sites - A location, other than a branch campus or additional location, at which the institution offers one or more courses for credit.

Distance Education Programs - Fully Approved, Approved (one program approved) or Not Approved indicates whether or not the institution has been approved to offer diploma/certificate/degree programs via distance education (programs for which students could meet 50% or more of the requirements of the program by taking distance education courses). Per the Commission's Substantive Change policy, Commission approval of the first two Distance Education programs is required to be "Fully Approved." If only one program is approved by the Commission, the specific name of the program will be listed in parentheses after "Approved."

Commission actions are explained in the policy Accreditation Actions.
