The 2021 Fritz Jonach Upstander Award

Fritz Jonach was a dedicated humanitarian, teacher and coach from Millburn High School who was an active member of the Kean University Diversity Council. After his sudden passing, a memorial award was established in his name. The award criteria is based on implementing the Diversity Council on Global Education and Citizenship's mission statement into a project that encouraged civic engagement and worked to create a culture of upstanders in their school.

"The mission of the Council is to foster the continued growth of active and compassionate individuals in order to reduce intolerance, harassment/intimidation, and to promote social justice."

A paragraph explanation addressing each of the following questions:

- 1. What were the objective and the goals of the project/endeavor? How do they reflect the mission of the Council?**
- 2. Describe in detail your plan. What successes and challenges did you face in implementing your plan?**
- 3. How did you succeed in creating a culture of upstanders in your school?**
