	3	*Required GE Distribution Course	
	3	**Required of Non-History Majors	

**PLEASE BRING THIS ADVISEMENT FORM WITH YOU TO ALL MEETINGS WITH DEPARTMENT ADVISOR**

**Grade Point Average Requirement: Students must have and maintain a 2.75 GPA**

**Courses Requiring a Minimum Grade of B-**

Students must earn a B- or higher (exceptions made with dept. approval) to meet partial program entry requirements in the following courses: **ENG 1030, MATH 1000** (other options include **MATH 1010, MATH 1016 or MATH 1030**), **COMM 1402, BIO 1000, HIST 2303 OR HIST 2304**, and **EMSE 2800**.

**Course Requiring a Minimum Grade of C**

Students must also earn a C or higher in the following additional courses after acceptance into the program and before Pre-Professional Internship (EMSE 3800): **HIST 2303 OR 2304, MATH 1010** (other options include **MATH 1016, MATH 1030, MATH 1054, CPS 1031, CPS 1032, CPS 1032**), and a science course (options include **CHEM 1010, ASTR 1100, GEOL 1200, ES 1400, and PHYS 1000**). Other college level science courses are acceptable as well.

**Academic Content Area/2<sup>nd</sup> Academic Major**

Students majoring in Elementary Education are required to take an academic content area/2<sup>nd</sup> academic major in liberal arts, mathematics or science. Some overlap with General Education may occur, in which case the courses that overlap must also be a C grade or higher. Some majors require a greater number of credits and additional cognates. Check specific departmental course grade requirements.

**Note:** Students may choose to use general education courses to satisfy major requirements. For example, history majors may wish to use the US History courses to satisfy major requirements and, if so, they must choose additional liberal arts courses to satisfy the credit requirement for General Education. Students should consult with their academic advisor to determine appropriate course substitutions. This situation may occur with other second majors and the students should consult with their academic advisor regarding appropriate course substitutions.

**Professional Education Courses**

Students entering Kean University as freshmen or transfers must earn a B- or higher in Professional Education courses and a Satisfactory grade in **EMSE 3800** and **EMSE 4810**. **EDUC 3000** and **EDUC 3400** or **EDUC 3403** must be completed prior to taking **EMSE 3800**. **EMSE 4440** and **EMSE 4441** must be completed prior to **EMSE 4810** and **4900**.

**EMSE 4900** Senior Seminar and **EMSE 4810** Professional Internship must be taken together and no other course registration is permitted. **ALL TEACHER CANDIDATES ARE REQUIRED TO COMPLETE** The Teacher Work Sample Portfolio **BEFORE GRADUATION**.

**ADDITIONAL INFORMATION**

**Oral and Written Emphasis Competency in Languages of Instruction**

Students entering the Bilingual Option must also demonstrate oral and written competency in both languages of instruction, for example, Spanish and English, as measured by the **ACTFL Proficiency Assessment**. Registration and administration of this test is done in the Elementary Ed. & Bilingual Department located in Willis 105B. The passing scores for Bilingual Education candidates are:

English:

Oral – Advanced High

Written – Advanced Mid

Other language:

Oral – Advanced High

Written – Advanced Mid

**This test must be completed before being declared a bilingual option major.**

**Writing Emphasis Requirement:** All students are required to complete one “Writing Emphasis” (WE) course. The WE course should be within the major program. **EMSE 4440** satisfies this requirement for your Professional major. However you should consult your content major program advisor (i.e. History, Earth Science, etc.) for any requirements in the respective program.

**PRAXIS I:** All students entering the Elementary Education Program are required to take the **PRAXIS I**. This is a test in preparation for the Praxis II. Students must earn passing scores on all three parts of **PRAXIS I** (math, writing, and reading) to become eligible to apply to the Elementary Education program.

**Praxis II** (formerly the National Teachers Exam): The State of New Jersey requires a passing score on the Elementary Education: Content Area (10014) of the Praxis II exam prior to senior field experience.
