

## Kean-Ocean Suggested Curriculum BS Exercise Science

*Courses in Bold are essential for transfer*

### GENERAL STUDIES – Health and Physical Education Concentration - A.S. Degree Program - Effective Catalog Year 2019-2020

The Associate in Science (A.S.) degree is designed for students who wish to create an individualized program in a specific academic area. Students may explore career fields while selecting courses that will facilitate their goal of transferring to a four-year college/university or beginning a career. Students must complete the following:

- All students must complete STSC 150, Student Success Seminar, during their first year of enrollment.
- A minimum of 30 credits from the list of Approved General Education Courses.
- At least 18 credits from the academic area of Health and Physical Education to satisfy the Department Concentration.
- Additional elective credits to meet the requirements for the degree (minimum of 60 credits).
