Note: It is suggested that students with less than a 3.5 GPA take only four courses per semester and take the two additional courses during the Summer or Winter breaks or add one year to the total time of study in order to maintain the highest possible GPA prior to graduation.

If you have already taken CDD 2251, we will use it as a course substitution for CDD 2253.

If you have already taken CDD 2255, we will use it as a course substitution for CDD 2256.

If you have already taken ENG 2101, we will use it as a course substitution for CDD 2250.

If you have already taken MATH 1010, you will need to add MATH 1054; it is a prerequisite for Physics 2091.

If you have already taken GE 2022, we will use it as a course substitution for GE 2024.
