Meeting #8 MINUTES – 4/12/21

- 1- **Approval of Minutes of 3/12/21.**
APPROVED: Vote of 8-0-0.

- 2- **POST Panel 1: Demystifying Assessment**
+ POST Panel 2: Using Assessment Results for Continuous Improvement and Innovation Remarks.
Discussion on benefits of the first 2 Panels: Overall, satisfactory.

- 3- **Update on Panel development:**
Panel 3: Diversity, Equity and Inclusion Based Assessment - Friday, May 21 @ 2pm- Pending Confirmation

- 4- **Assessment of Assessment / Task Completion Discussion**
Discussion centered on the assessment of the assessment process through the rubric by reviewing 2019-2020 assessment reports. The Committee suggested that the Assessment Plan should be updated to include missing items in the template (i.e., Curricular Map and Kean University Student Learning Objectives). It was suggested that the Committee can set up an item for discussion in our next meeting about the ways in which we recommend changes to the Assessment Plan and Report (However, might not want to make it too burdensome, more than what it already might be).

- 5- **AMS Provider Feedback**
There was a very thorough and involved conversation on the selection of AMS platform. Each committee member provided input into how the provider should be chosen highlighting:
 - faculty support
 - cost
 - a strategy to have at least two front-runners (a preferred selection and a second choice)
 - concerns about data ownership.

Discussion centered on the assessment management system and providers and some on the assessment of the assessment process through the rubric by reviewing 2019-2020 assessment reports.

6- Adjournment

Committee agreed to the need for one additional UAC Meeting for the Spring Semester on Monday May 03rd @ 3:30pm.

The Meeting was then Adjourned.

Next meeting: Monday, May 03
