\*The Teacher of Students with Disabilities, P-3; K-6; K-6 and 5-8 programs are no longer offered as stand-alone degrees. TSD endorsement is now embedded in the Early Childhood Education, Elementary Education, and select Secondary Education programs. Completions are recorded July 1- June 30. Certifications are recorded September 1-August 31.

<sup>1</sup> Revised from 12 in prior reporting year; incomplete work resolved for two candidates.

## COMPLETIONS – ADVANCED LEVEL PREPARATION

Advanced-level programs are defined by CAEP as educator preparation programs at the post-baccalaureate or graduate levels leading to licensure, certification, or endorsement. Advanced-level programs are designed to develop PK-12 teachers who have already completed an initial preparation program, currently licensed administrators, other certificated school professionals for employment in PK-12 schools/districts.
