

Change to Your Commuter Benefits Provider

The State of New Jersey has changed commuter benefits providers from WageWorks to Edened Commuter Benefit Solutions (ECBS).

Please read below to see how this change will affect you.

September will be the first benefit month with ECBS. Beginning July 1, you will be able to register for your new ECBS commuter account at <https://login.commuterbenefits.com/>. Once registered, you will be able to submit orders up until July 25. All commuter benefit orders for September will be finalized on July 25.

See the below chart for the timeline of the transition:

Date	Description
July 1	First day to register and place orders
July 25	Order deadline for September
August 13 – August 23	September orders are fulfilled
August 31	Last date to use WageWorks Card
September 1	First benefit month with ECBS
September 30	Last date to file Cashback claims with WageWorks
October 15	Unused benefits from WageWorks added to your account
December 27	Unused benefits from WageWorks Parking Cashback added to your account

Please read through the FAQs to find out how this transition affects different transit and parking products that you might use for your commute.
