

Iceland: Observing the Earth

March 7 - 15, 2025

ABOUT US

Join Professors Sarnoski and Roebuck as you explore the natural wonders of Iceland. Hike canyons and glaciers, visit caves and craters, learn about geothermal energy at a geothermal plant, and so much more! Students will earn credit for ES 1000 or ES 3265.

HYBRID INFORMATION SESSIONS

- Friday, October 11, 2024 at 12:30 PM in CAS 244 and via Zoom.
- Thursday, October 17, 2024 at 3:30 PM in CAS 244 and via Zoom.
