CLIMB HIGHER AT KEAN UNIVERSITY

Study and See the World With Us!

Founded in 1855, **Kean University is a world-class AMERICAN INSTITUTION** dedicated to academic excellence, innovative research, career preparation and cultural exchange. Students worldwide are welcome to study at Kean and climb higher with a global perspective.

LIFE AT KEAN

Located on a beautiful 185-acre campus in northern New Jersey, Kean University is close to NYC and minutes from Newark Airport. Kean invites international students to our campus community, featuring:

- a diverse student population with 180+ student clubs and organizations
- state-of-the-art academic buildings and research labs
- award-winning residence halls and delicious food
- five theatres and six art galleries that host entertainment and cultural events
- 21 Division III sports teams, football stadium, fitness complex and recreational facilities
- Travelearn global experiences including a fully English-speaking campus in Wenzhou, China

Kean makes it easy to reach your academic goals while having fun and getting involved on campus.

My experience at Kean as an international student was incredible. I made great memories, and the helpful, friendly professors and international center made every detail easier. I highly recommend Kean for its quality education and services.

International applicants may qualify for the out-of-state award which requires them to live on campus. International students who do not live on campus are not eligible for this award.

HOUSING • MEAL PLANS

Kean's **award-winning residence halls** are among the nicest in New Jersey. We provide comfortable housing with double-occupancy 2-bedroom suites for international students. You can choose to live with other international students or with American students.

Kean meal plans offer affordable and satisfying choices that cater to the diverse tastes and dietary needs of the Kean community. Flexible dining options, both on and off-campus, are designed to fit every campus lifestyle. Our all-you-care-to-eat dining halls provide a terrific value. We offer a range of high-quality, healthy flavors and international cuisine.

Every Kean residence hall has a laundromat-style laundry room, common areas to socialize and private study areas. All are equipped with modern security measures, including key card access, security cameras and on-site staff. Additionally, Kean's campus police department provides 24/7 emergency assistance and patrols the campus to ensure the safety of our community. STUDENT SERVICES

- The **Center for International Studies** welcomes a diverse group of students and scholars from around the world and offers immigration and logistical support.
- **SUPERA** is a Spanish-speaking program at Kean that enables you to take college courses while you learn English.
- **Career Services** to help you prepare your resume, practice your interviewing skills and participate in internships while at Kean.
- The **Wellness Center** provides counseling, nutritional guidance, mindfulness and meditation programs, along with accessibility and student health services.

Kean is amazing! I recommend Kean to international students because they will truly feel welcomed and will experience a lively environment full of diversity and fun activities all over campus.
