The contents of the proposal of the successful Vendor will become a part of any contract awarded pursuant to these specifications unless the University takes specific exception. Any specific exception taken by the University shall be noted and incorporated into the formal contract resulting from this RFP. In the event of an inconsistency between the terms of this RFP and a Vendor's response, the terms of this RFP shall govern.

A Vendor may designate specific information in its proposal as not subject to disclosure when the Vendor has a good faith legal/factual basis for such assertion. The University reserves the right to make the determination and will advise the Vendor accordingly. The location in the

proposal of any such designation should be clearly stated in a cover letter. The University will not honor any attempt by a Vendor, either to designate its entire proposal as proprietary, and/or to claim copyright protection for its entire proposal.

By signing the signature page of the proposal, the Vendor waives any claims of copyright protection set forth within the manufacturer price list and/or catalog, if applicable.

3.10 Economy of Preparation

3.11 Oral Presentation

This presentation may also include an inspection of Vendor's facilities or similar operations if deemed to be necessary. The University shall have sole discretion in determining if oral presentations are required for this RFP.

3.12 Prime Vendor's Responsibilities

The successful Vendor will be required to assume sole responsibility for the complete effort as required by this RFP. The University will consider the selected Vendor to be the sole point of contact regarding contractual matters.

3.13 Subcontracting

Such consent, if granted, shall not relieve the Vendor of any of its responsibilities under the contract.

3.14 Assignment

The successful Vendor is prohibited from assigning, transferring, conveying, subletting or otherwise disposing of an awarded contract or its rights, title or interest therein or its power to execute such contract to

any other person, company or corporation without the previous written consent and approval of the University's Chief Financial Officer. Money due or to become due to the successful Vendor hereunder shall not be assigned for any purposes whatsoever.

parties. The approximate starting date of this contract shall be May 2025. Should the University decide to renew this contract, notice will be given to the Vendor no later than ninety (90) days prior to the termination of the current term. The Vendor shall indicate acceptance in writing within thirty (30) days after the notice of the proposed renewal. In no event will Kean University have any liability for the cancellation of such award. The successful Vendor assumes sole risk and responsibility for expenses prior to execution of the contract by the University.

3.19 Contract Initiation

There may be a meeting or meetings with the successful Vendor and Kean University prior to the start of contract. At this time, the Vendor may be asked to submit, in accordance with the terms of its proposal, a final plan of operation to the University.

3.21 Vendor Contract Obligations

By submitting a proposal, each Vendor agrees it has been satisfied from its own investigation of the conditions to be met and fully understands and agrees to the conditions, obligations, and requirements set forth in the RFP. No Vendor will make any claim for cancellation or relief of the contract without penalty because of any misunderstanding or lack of information presented in the RFP.

3.22 Method of Inspection of Work and Liquidated Damages for Non-Performance

3.22.1 In the event the successful Vendor shall fail to comply with any of the conditions herein provided and as covered by the contract, the University's Chief Financial Officer shall notify the Vendor of such failure or default and demand that the same be remedied within ten (10) business days. In the event the Vendor fails to remedy the same within said cure period, the Chief Financial Officer may take steps to terminate the contract. In this event, the Chief Financial Officer will authorize the service to be performed by any available means, the difference between the actual cost paid and the proposal of the defaulting Vendor to be deducted from the performance security in effect. It shall also be incumbent upon the Vendor to continue operations until relieved by a newly selected Vendor.

3.22.2 If circumstances beyond the control of the Vendor result in non-performance, it is the responsibility and obligation of the Vendor to make the details known immediately to the Chief Financial Officer, Kean University, 1000 Morris Avenue, Union, New Jersey 07083.

3.22.3 The University reserves the right to terminate any contract awarded as a result of this proposal for a non-performance of the Terms and Conditions of the proposal by written notice. Liquidated damages, if such action is taken, will be in accordance with Section 3.22.1 above.

3.22.4 Should the result of any investigation or inspection made by the University indicate the services supplied are not satisfactory; the Vendor shall immediately rectify the situation, at no additional cost to the University, to meet the requirements of the University.

3.23 Proposal Security and Performance Security

3.23.1 The successful Vendor is required to submit a performance security annually, in the amount of \$25,000, and shall be issued by an insurance or surety company authorized to do business in the State of New Jersey. 4.0 UNIVERSITY REQUIREMENTS

4.1 Termination of Contract

In addition to the University's rights to terminate any contract entered into as a result of this RFP for mandatory or discretionary events of default, the University may, in whole or in part, terminate the Vendor's performance whenever the University determines that such termination is in the best interest of the University. Any such termination shall be effected upon sixty (60) days prior written notice delivered to the Vendor specifying the extent to which performance of work is terminated, and the date upon which such termination becomes effective.

4.2 Transitional Period

In the event the services are terminated by contract expiration or by voluntary termination by Kean University, it shall be incumbent upon the Vendor to continue the service until new services can be completely operational. At no time shall this service be extended more than ninety (90) days beyond the expiration date of the existing contract. The Vendor will be reimbursed for this service during any transitional period at terms consistent with the current contract.

4.3 Contract Changes

During the contract term, no change is permitted to any of its terms and conditions unless the Vendor receives prior written consent from the University's Chief Financial Officer or their designee. In addition, the successful Vendor cannot modify any provisions of its proposal, including but not limited to the terms of the Fee Proposal Form.

The Vendor agrees the prices set forth in its proposal are firm for the duration of the contract and thereafter may be changed only with the prior written approval of the University's CFO or their designee, and in accordance with the Consumer Price Index. In the event there should be any reduction in the cost of any of the units, such units will be invoiced based on the reduced prices.

4.4 Vendor Insurance Requirements

4.4.1 The successful Vendor shall, at its own expense, secure and maintain in force for the term of the contract, including contract renewal terms and transition periods, insurance coverage provided herein. - 4.4.8 All required insurance coverage must be in effect no later than 12:01 AM at the start of the day of the contract and remain in effect for the duration of the contract, including any extensions. The Vendor shall require all Subcontractors to comply with all of the insurance requirements described above. The Vendor is responsible for determining the amount of excess liability it will require its Subcontractors to carry. The Vendor shall be responsible for obtaining certificates of insurance for all coverage and renewals thereof for each Subcontractor prior to the Subcontractor's beginning

4.4.9 The Vendor shall provide the University with current Certificates of Insurance for all coverage and renewals thereof which must contain the provision that the insurance provided in the certificate shall not be canceled for any reason except after thirty (30) days written notice to the University. All insurance required herein shall contain a waiver of subrogation in favor of the University.

The successful Vendor shall assume all risk and responsibility for, and agrees to indemnify, defend, and save harmless Kean University, the State of New Jersey, the New Jersey Economic Development Authority, the New Jersey Educational Facilities Authority, and their trustees, directors, officers, agents, servants, and employees from and against any and all claims, demands, suits, actions, recoveries, judgments and costs, and expenses in connection therewith on account of the loss of life, illness, injury, damage to or loss of property of any person or persons, whatsoever,

which shall arise from or result directly or indirectly from: (1) the work, service or materials provided by the Vendor to operate and/or manage the contract; or (2) any failure to perform the Vendor's obligations under the contract. The Vendor's obligations under this indemnification clause or any improper or deficient performance of the Vendor's obligations are not limited by, but are in addition to, the insurance obligations contained in the contract. Further, the provisions of this indemnification shall in no way limit the obligations assumed by the Vendor under the contract, nor shall they be construed to neither relieve the Vendor from any liability nor preclude the University from taking any other actions available to it under any other provisions of the contract or at law. The indemnification obligations hereunder shall survive the completion or termination of the contract between the successful Vendor and Kean University.

4.6 Availability of Funds

Any contract award of this RFP will be subject to the availability of sufficient funds.

4.7 Bid Protest

A vendor who submits a proposal in response to an advertised RFP and is not ultimately awarded a contract relating to the advertised RFP may submit a written protest setting forth in detail the specific grounds for challenging the award. Written protests shall be sent to the Associate Vice President, University Procurement and Business Services, Maintenance Building, Room 134, 1000 Morris Avenue, Union, NJ 07083, or via email to procurement@kean.edu. The protest shall be filed within ten (10) business days following the vendor's receipt of written notification of the decision to award the contract. Any protest filed after the 10-day period may be disregarded. If the contract award is protested, the University may proceed to award the contract if the failure to award will result in substantial cost to the University or if public exigency so requires. The Office of University Counsel and/or its designee will render the final decision on all matters that address disqualification of any Vendor.

4.8 Internship Program

Kean University sometimes partners with awarded Vendors to provide opportunities to our students that will allow them to participate in meaningful, work-based experiences that are paid, available for credit, and connect them to a company to enhance their skill set and increase their competitiveness. In your submission, please state whether you provide internships for our students. Please identify the types of internships you offer, the steps involved, and the criteria used in the application process. In addition, please describe your experience and success in this area along with any other pertinent information relative to this initiative.

7.5.4 Qualifications of Vendors: Vendors must be qualified by and under the provisions of the New Jersey State Construction Code. The University may make such reasonable investigations as deemed proper and necessary to determine the ability of the Vendor to perform the work/furnish the item(s) and the Vendor shall furnish to the University all such information and data for this purpose as may be requested. The University reserves the right to inspect Vendor's physical facilities prior to award of contract to satisfy questions regarding the Vendor's capabilities to successfully perform the work. The University further reserves the right to reject any bid if the evidence submitted by, or investigations thereof, such Vendor fails to satisfy the University that such Vendor is properly qualified to carry out the obligations of the contract and to complete the work/furnish the item(s) contemplated therein.

7.5.5 Testing and Inspection: The University reserves the right to conduct any test/inspection it may deem advisable to assure supplies and services conform to the specification.

7.5.6 Default: In case of failure to deliver goods or services in accordance with the contract terms and conditions, the University, after due oral or written notice, may procure them from other sources and hold the Vendor responsible for any additional purchase expenses and/or

administrative costs. This remedy shall be in addition to any other remedies which the University may have, as afforded by State Law.

- 7.5.7 Use of Brand Names: Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict Vendors to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which the University, in its sole discretion, determines to be equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The Vendor is responsible to clearly and specifically indicate the product being offered meets or exceeds the requirements of the solicitation specification. This is required even if offering the exact brand, make or manufacturer specified. Only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid non-responsive. Unless the Vendor clearly indicates in its bid that the product offered is an "equal" or better product, such bid will be considered to offer the brand name product referenced in the solicitation/specification.
- 7.5.8 Transportation and Packaging: By submitting the bid, the Vendor certifies and warrants that the price offered for FOB destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity.
- 7.5.9 Responsibility for the Work: The Vendor shall be responsible to the University, and to other contractors that may be under contract with the University, for the acts and omissions of his/her employees, subcontractors and their agents and employees, which injure, damage, or delay such other contractors in the performance of their work. This responsibility is not limited by applicable provisions stated elsewhere herein, but is in conjunction with, and related thereto.

The Vendor shall defend, protect, indemnify and save harmless the University from all claims, suits, actions, damages and costs of every name and description arising out of, or resulting from, the performance of his/her work under the contract. This responsibility is not limited by the provisions of other indemnification provisions included elsewhere herein.

In order to protect the lives and health of his/her employees, the Vendor shall comply with all applicable statutes and pertinent provisions of the "Manual of Accident Prevention in Construction" issued by the Associated General Contractors of America, Inc., and shall maintain an accurate record of all cases of death, occupational disease, and injury requiring medical attention or causing loss of time from work, arising under the contract. The Vendor alone shall be responsible for the safety, efficiency and adequacy of his/her plant, appliances and methods, and for any construction, maintenance or operation.

7.5.10 Rules-Laws-Regulations: All work to be performed under the contract shall be done in accordance with the New Jersey Uniform Construction Code. No work requiring inspections and approval of construction code officials is to be covered or enclosed prior to inspection and approval by appropriate code enforcement officials.

The work under the contract is exempt from local (municipal) ordinances, codes and regulations as related to buildings and the site on which buildings are located, except where the Vendor's work could adversely affect adjacent property, public sidewalks and/or streets. The Vendor shall coordinate his/her activities with municipal and/or highway authorities having appropriate jurisdiction.

It is the Vendor's responsibility to request, in a timely manner, inspections by all regulatory agencies having jurisdiction over the project. The Vendor shall notify the University representative at least five (5) days prior to inspection dates.

The Vendor shall hold harmless the University from all fines, penalties or losses incurred for, or by reason of, the violation of any regulation or law of the State or Federal Government while the Vendor is in process of performing his/her work.

The Vendor shall comply with the Federal Occupational Safety and Health Act of 1970, and of all the rules and regulations promulgated there under and the New Jersey Worker and Community Right To Know Act (PL 1983 C.315 NJSA 34:5A-I, et seq.).

If as a result of a finding, by an appropriate Finder of Fact, it is established that the Vendor caused a substantial violation of a Federal, State or local statute or regulation while under contract with the University, the University may declare the Vendor to be in default.

7.5.11 Superintendence by Vendor:

- a. The Vendor shall be responsible for all construction means, methods, techniques, sequences, and procedures and for coordinating all portions of the work under the contract except where otherwise specified in the Contract Documents.
- b. The Vendor shall, at all times, enforce strict discipline and good order among the workers on the project, and shall not employ on the work any unfit person or anyone not skilled in the work assigned to him/her.

7.5.12 Warranty of Materials and Workmanship:

- a. The Vendor warrants that, unless otherwise specified, all materials and equipment incorporated in the work under the contract shall be new, first class, and in accordance with applicable UCC requirements. The Vendor further warrants that all workmanship shall be first class and in accordance with the Contract Documents and shall be performed by persons qualified at their respective trades. Work not conforming to these warranties shall be considered defective.
- b. Neither the Final Certificate of Payment, nor any provision in the Contract Documents, nor partial or entire occupancy of the premises by the University shall constitute an acceptance of work not done in accordance with the Contract Documents. Nor shall it relieve the Vendor of liability with respect to any expressed or implied warranties or responsibilities for faulty materials or workmanship. The University will give notice of observed defects with reasonable promptness.
- c. This warranty of materials and workmanship is separate, independent from, and in addition to manufacturer's standard warranties and any other guarantees in the contract.
- d. Vendor shall provide guaranties for all labor and materials furnished under the contract, for a period of one (1) year from date of final acceptance of the materials by the University, unless more restrictive requirements are specified elsewhere in the specifications section. The Vendor shall, within a reasonable time, after written notice thereof, repair, replace, and make good, at Vendor's expense, all defects in workmanship and materials.

7.5.13 Use of Premises and Removal of Debris: The Vendor expressly undertakes, either directly or through its Subcontractor(s):

- a. To perform the contract in such a manner as not to interrupt or interfere with the operation of existing University activities and functions on the premises or at the location of the work.
- b. To store its apparatus, materials, supplies, and equipment in such orderly fashion at the site of the work as will not duly interfere with the progress of its work or the activities, functions, and work of the University or any other contractor.
- c. To place upon the work or any part thereof only such loads as are consistent with the safety of that portion of the work.
- d. To effect all cutting, filling, or patching of its work required to make the same conform to the work order requirements and/or the plans and specifications, and except with the consent of the University representative, not to cut or otherwise alter the work of any other contractor. The Vendor shall not damage or endanger any portion of the work by cutting, patching, or otherwise altering any work, or by excavation. No structural member shall be cut without approval from the University architect.
- e. To clean up frequently all refuse, rubbish, scrap materials, and debris caused by its operations, to the end that at all times the site of the work shall present a neat, orderly, and workmanlike appearance.

7.5.14 Protection of Persons and Property:

- a. The Vendor is expressly responsible for, both directly and through its Subcontractor(s), taking every precaution at all times for the protection of persons and property, including University students, employees, and property, as well as its own employees and Subcontractor(s).
- b. The Vendor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the work.
- c. The Vendor shall continuously maintain adequate protection of all work from damage and shall protect the University's property from damage or loss arising in connection with the contract. The Vendor shall make good any such damage, injury, or loss. The Vendor shall adequately protect adjacent property as provided by law and as required by site-specific conditions and the Contract Documents, and shall provide and maintain all

passageways, barricades, guard fences, lights, and other facilities for protection required by the University and public authority having jurisdiction over the work, and local conditions.

- d. In an emergency affecting the safety or life of building occupants and individuals, or of the work, or of adjoining property, the Vendor, without special instruction or authorization from the University, is hereby permitted to act, at its discretion, to prevent such threatened loss or injury. Also, should the Vendor, in order to prevent threatened loss or injury, be instructed or authorized to act by the University, he/she shall so act, without appeal. Any additional compensation or extension of time claimed by the Vendor on account of any emergency work shall be determined as provided in the contract.

7.6 Special Terms and Conditions

7.6.1 Asbestos: Whenever and wherever during the course of performing any work under the contract, the Vendor discovers the presence of asbestos or suspects the presence of asbestos, he/she shall stop the work immediately, secure the area, notify the University and await positive identification of the suspect material. During the downtime in such a case, the Vendor shall not disturb any surrounding surfaces but shall protect the area with suitable dust covers. In the event the Vendor is delayed due to the discovery of asbestos or suspected asbestos, then a mutually agreed extension of time to perform the work shall be allowed the Vendor but without additional compensation due to the time extension.

7.6.2 Drug Free Workplace: The Vendor acknowledges and certifies that it understands that the following acts by the Vendor, its employees, and/or agents performing services on State property are prohibited:

- a. The unlawful manufacture, distribution, dispensing, possession or use of alcohol or other drugs; and
- b. Any impairment or incapacitation from the use of alcohol or other drugs (except the use of drugs for legitimate medical purposes).

The Vendor further acknowledges and certifies that it understands that a violation of these prohibitions constitutes a breach of contract and may result in default action being taken by the University in addition to any criminal penalties that may result from such conduct.

- 7.6.3 Independent Contractor: The Vendor shall not be an employee of the University, but shall be an independent contractor.

Nothing in the contract shall be construed as authority for the Vendor to make commitments which shall bind the University or to otherwise act on behalf of the University, except as the University may expressly authorize in writing.

- 7.6.4 Inspection of Job Sites: By submitting his/her bid, the Vendor certifies that he/she has inspected the job sites and has become fully aware of all pre-existing conditions pertaining to the contract and is aware of the conditions under which the work must be accomplished. Claims, as a result of a failure to inspect the job sites, will not be considered by the University.

Bid proposals based upon the contract, Specifications, General Terms and Conditions, Special Terms and Conditions and Supplementary Conditions and Bulletins, shall be deemed as having been made by the Vendor with full knowledge of the conditions therein.

Vendors are required to visit the site prior to submitting proposals for the work herein described, and to have thoroughly examined the conditions under which the contract is to be executed including those reasonably observable conditions of the premises which would hinder, delay, or otherwise affect the performance of the Vendor required under the terms of the contract. The University will not allow claims for additional costs as a result of the Vendor's failure to become aware of the reasonably observable conditions affecting his/her required performance. The Vendor is required to make appropriate allowances in the preparation of his/her bid for the accommodation of such conditions. By submitting a bid proposal, Vendor warrants that the Vendor is familiar with conditions existing at the site at the time the bid is submitted. Vendors are advised that no claim for expenses incurred, or damages sustained on account of any error, discrepancy, omissions, or conflict in the Contract Documents shall be recognized by the University, unless written request for interpretation, clarification, or correction has been submitted by the Vendor prior to bid due date.

- 7.6.5 Materials Containing Asbestos: The Vendor shall not incorporate any materials into the work containing asbestos or any material known by the Vendor to contain a substance known to be hazardous to health when the building is occupied. If the Vendor becomes aware that a material required by the specifications contains asbestos, it shall notify the University immediately and shall take no further steps

to acquire or install any such material without first obtaining the University's approval.

7.6.6 Quantities: Quantities set forth in this solicitation are estimates only, and the Vendor shall supply at bid prices actual quantities as ordered, regardless of whether such total quantities are more or less than those shown.

7.6.7 Safety and Security:

- a. Safety: All Vendors working on the Kean University campus must maintain an adequate safety program to insure the safety of Vendor employees, Subcontractor employees, and all other individuals working under the contract. The State and Federal Occupational Safety and Health Act provides for safety and health protection for employees on the job. The Vendor is required to comply with all applicable Occupational Safety and Health Act standards. In addition, the Vendor must also provide the University with a written safety program that he/she intends to follow in pursuing work under the contract. No work under the contract will be permitted until the University is assured that the Vendor has an adequate safety program in effect.

The Vendor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the work. He/she shall designate a responsible member of his/her organization whose duty shall be the prevention of accidents.

The Vendor shall take all reasonable precautions for the safety of, and shall provide all reasonable protection to prevent damage, injury, or loss to:

- (1) Every employee on the work and all other persons who may be affected thereby;
- (2) All the work and all materials and equipment to be incorporated therein, whether in storage on University property, or off the site, under the care, custody, or control of the Vendor or any of his/her Subcontractors or Sub-subcontractors; and
- (3) Other property at the site or adjacent thereto, including but not necessarily limited to structures, utilities, equipment, furnishings, etc.

The Vendor shall give all notices and comply with all applicable laws, ordinances, rules, regulations, and lawful order of any public authority bearing on the safety of persons or property or their protection from damage, injury, or loss.

The Vendor shall erect and maintain, whenever directed by the University and as required by existing conditions and progress of the work, all reasonable safeguards for safety and protection of public life and health, including rails, barricades, night lights, the posting of danger signs, and other warnings against hazards. The Vendor shall be responsible for promulgating safety regulations, notifying the University and other users of adjacent facilities, and implementing other means of protection against accidental injury or damage to persons and property. Adequate safeguards for safety and protection of visually-impaired persons shall be provided by the Vendor.

- b. Security: In view of heightened security concerns, the University has a campus security procedure applicable to all contractors and Vendors supervised by the Office of Facilities. Contractors and Vendors are required to register all employees working on campus, including employees of Subcontractors and suppliers. Employees shall be required to wear identification badges issued by the Vendor at all times while on University premises. As new or additional employees are assigned to work on University premises, Contractors/Vendors shall be required to provide ID badged for each employee prior to start of work on campus.

Individuals making deliveries for Contractors/Vendors shall be required to check in at the Office of Facilities, Room M-122, Facilities Building. The Vendor will advise all suppliers and Subcontractors accordingly, as no one shall be allowed on campus without adherence to the established security protocols.

The Office of Facilities reserves the right to deny access to the campus to any individual who fails to present the required documentation. Again, individuals/employees not wearing identification badges will not be allowed to work on campus.

- 7.6.8 Use of Premises: The Vendor shall perform his/her work so as not to interfere with other activities and work being performed in the area. Any interruptions of any type of service shall be coordinated with the University representative ahead of time. The Vendor shall, however, remain fully liable and responsible for the work to be done by his/her

subcontractor(s) and shall assure compliance with all requirements of the contract.

7.6.9 Work Site Damages: Any damage to existing utilities, equipment or finished surfaces resulting from the performance of this contract shall be repaired to the University's satisfaction at the Vendor's expense.

7.6.10 Estimates for Work:

1. Upon request by the University, the Vendor shall prepare and submit a written estimate required to perform repair/replacement services specified under the contract. This work may then be performed only with the University's written authorization. Invoices submitted by the Vendor for work performed shall be itemized by each billable contract unit and the total dollar amount(s) of the invoice(s) submitted shall not exceed the Vendor's written estimate.
2. The University reserves the right to make or obtain other estimates prior to authorizing the Vendor to proceed in order to comply with the requirements of State regulations to determine price reasonableness. If the estimate is considered not to be reasonable, the Vendor will be asked to review his/her estimate and resubmit. If the revised estimate is still considered to be unreasonable, the University reserves the right to obtain the work from another source.

7.7 Pricing Schedule

The Vendor agrees to provide the services described herein for the prices listed on the Pricing Schedule attached hereto as Attachment A. Material unit prices shall include glass and all glazing materials and components delivered to job site for installation.

Labor and installation unit prices shall reflect work in place satisfactorily installed, including all required tools, equipment and all labor costs. Unit pricing shall include temporary board-up work, field verification, and supervision work; overhead and profit; all direct and indirect costs; transportation and delivery and all other associated and incidental costs. Tinted glass shall match existing being replaced, including but not limited to, bronze, gray, green, and blue in shades/tints to match existing glass.

7.8 Personnel Qualifications

7.8.1 The Vendor shall use only skilled, competent, trained personnel having the minimum experience specified hereunder. The Vendor shall, upon request by Kean University, provide evidence of

qualifications for Vendor personnel performing work under the contract. Kean University reserves the right, in its sole discretion, to reject Vendor personnel determined to be unqualified or otherwise unable to perform the work specified herein. In addition, all personnel that operate equipment that require driving on campus shall possess a valid New Jersey Driver's License and CDL license, if required. Upon request, Vendor shall provide documentation to Kean University evidencing that Vendor's employees possess the required drivers' licenses. 7.8.2 If, due to the fault or neglect of the Vendor, his agents, or employees, any Kean University property, equipment, stock, or supplies are lost or damaged during performance of the contract, the Vendor shall be responsible for such loss or damage and Kean University, at its sole option, may either require the Vendor to repair or replace all damaged property.

7.8.3 All personnel shall observe all rules and regulations in effect at Kean University governing safety and personal conduct. Vendor employees shall be subject to control of the University, but under no circumstances, shall such persons be deemed employees of the University. Vendor personnel shall not represent themselves or be considered as employees of Kean University or the State of New Jersey.

**EVALUATION CRITERIA
INSTRUCTIONS FOR USE**

PURPOSE: The purpose of this document is to evaluate as quantitatively as possible the capabilities of Vendors relative to the attributes deemed important by Kean University, and provide a comparative view against alternative sources in the industry.

MATHEMATICAL INFORMATION

1. The “weight” is a measurement of the relative importance of the attribute to the customer. Each component may vary, but the total must always be 100 percent.

2. The rating range is from 1 to 5, with 1 being the lowest and 5 the highest, i.e.,

- 1 – little or no capability or advantage
- 2 – falls short of minimum requirements
- 3 – meets the requirements
- 4 – exceeds requirements
- 5 – superior capability

3. The numerical total is the sum of all evaluators’ scores.

4. The weighted points are the numerical total divided by the number of evaluators times the weighted average in percent.

i.e., If the attribute is rated 20 percent, the number of evaluators is 3, and the scores are 4, 5, and 4, then the weighted points would be calculated as follows:

$$\text{weighted points} = .20 \frac{(4+5+4)}{3} = .87$$

NOTE: Since the highest rating that a vendor can achieve by attribute is 5, and since the total weight is 100 percent, the highest total composite score per vendor is 5.

BID SOLICITATION # & TITLE: _____

The Bid Solicitation advises Bidders (hereinafter "Company") that the submitted "Quotes can be released to the public pursuant to N.J.A.C. 17:12-1.2(b) and (c), or under the New Jersey Open Public Records Act (OPRA), N.J.S.A. 47:1A-1.1 et seq., or the common law right to know." In the event that the Division receives a request for documents related to above referenced Bid Solicitation, in accordance with its statutory obligations under the New Jersey Open Public Records Act and/or the common law right to know, it is the Division's intent to fulfill the request for records which may include a copy of the Company's Quote.

If Company objects to the disclosure of any portions of the Quote, the Company must advise the Division and must attach a detailed statement clearly identifying those sections of the Quote that Company claims are exempt from disclosure. In requesting any exemption, Company must identify the specific statutory or other legal justification for each requested exemption and the factual basis that supports said exemption. In addition, if Company requests any exemption to disclosure of the Quote based upon claims of confidential/proprietary information and trade secrets (setting forth the nature of the formula, process, pattern, device or compilation), in accordance with *Ingersoll-Rand Co. v. Ciavatta*, 110 N.J. 609 (1988), Company must also indicate the following with respect to the requested exemption:

- (6) the ease or difficulty with which the information could be properly acquired or duplicated by others.

Further, if the Quote includes any copyright notices, within five business days, the Division will be permitted to release a copy of the Quote document(s) unless Company serves the Division with an order from a court of competent jurisdiction precluding such release.

The State reserves the right to make the final determination as to what is and is not subject to public disclosure under OPRA and/or the common law right to know, and will advise the Company accordingly. Please note that the State will not honor any claim of confidential, proprietary, trade secret, and/or copyright material that is not supported by a specific statutory or legal justification provided by the Company. The State will not honor any attempts by the Company to designate the entire Quote as proprietary, confidential and/or to claim copyright protection for its entire Quote.

Accordingly, in order to assist the Division with the fulfillment of potential document requests, please select **one** of the following:

The Company's Quote **does not include** any confidential, proprietary and/or trade secrets; and therefore, the Company does not request any redactions be made prior to the release of the documents.

OR

The Company's Quote **does include** confidential, proprietary and/or trade secrets; and therefore, the Company requests that certain portions of the Quote be redacted prior to the release of the documents.

The requested redactions are set forth in the attached statement which specifically identifies the portions of the Quote by section, page number, paragraph and or line; and identifies the specific statutory or other legal reason for each requested exemption.

In the event of any challenge to the Company's assertion of confidential/proprietary information, the Company shall be solely responsible for defending its designation. Company agrees that it shall defend and cooperate in the defense of an action against the State of New Jersey arising from or related to the non-disclosure, due to the Company's request, of documents submitted to the State of New Jersey, and relating to a Quote submitted by the Company in response to the above referenced Bid Solicitation, which was the subject of a request for government records under the New Jersey Open Public Records Act, N.J.S.A. 47:1A-1 et seq. ("OPRA"), or the common law right to know. The Company further agrees to indemnify and hold harmless the State against any judgments, costs, or attorneys' fees assessed against the State in connection with any action arising from, or related to, the non-disclosure, due to the Company's request, of documents submitted to the State, which are the subject of a request for government records under OPRA.

**NEW JERSEY DEPARTMENT OF THE TREASURY
DIVISION OF PURCHASE AND PROPERTY
BUSINESS ETHICS GUIDE**

SECTION 1: INTRODUCTION

As the standard of procurement transactions is to ensure a level playing field for all parties, this Business Ethics Guide ("Guide") covers a wide range of practices and procedures to guide all employees, officers, and directors of companies transacting or seeking to transact business with the State of New Jersey. All company employees, officers, and directors must obey the laws, regulations, and policies of the agencies with which they seek to do business. All Bidders submitting proposals in response to a solicitation will be required to certify that they have complied, and will continue to comply, with all applicable laws and regulations governing the provision of State goods and services, including the New Jersey Conflicts of Interest Law, N.J.S.A. 52:13D-12 to 28.

Although the applicable provisions of the Conflicts of Interest Law are drafted in detail, here are the basic guiding principles:

- You may not profit from a State employee's conflict of interest.
- You may not "wine and dine" State employees.
- You may not pay or give a State employee anything for the performance of his or her official duties.
- You may not make political contributions that contravene State Pay-to-Play laws. A condition of contract award is Vendor compliance with the requirements of P.L.2005, c.51 (N.J.S.A. 19:44A-20.13-20.25).
- You may not profit, directly or indirectly, from the use of any secret or confidential knowledge or data of the State that a State employee has willfully disclosed.
- You should report any illegal or unethical behavior or any violation of the State's ethics and business codes to the State Ethics Commission ("Commission"), by calling the hotline at (888)223-1355 established for this purpose.

This Guide reflects current Conflicts of Interest Law. It will be supplemented appropriately to reflect subsequent legislative changes; however, you are responsible for knowing and understanding the current law.

SECTION 2: DEFINITIONS

The Division of Purchase and Property ("Division") transitioned to NJSTART, the State's new eProcurement solution during the Summer of 2016. As a result of that transition, some of the terminology used in NJSTART and the Division's RFP documents may change. In Section 2, please note that items in {brackets} refer to original terminology.

Bidder: An individual or business entity submitting a proposal in response to a RFP or other solicitation issued by the Division.

Bid or Bid Solicitation {RFP or Solicitation} – In NJSTART, the series of documents, which establish the bidding and Blanket P.O. {Contract} requirements and solicits quotes {proposals} to meet the needs of the Using Agencies as identified herein, and includes the Request for Proposal, State of New Jersey Standard Terms and Conditions (SSTC), price schedule, attachments, and bid amendments {addenda}.

Consultant: A State contractor engaged by a State agency to provide expert advice of a professional and technical nature in a subject area.

Contractor: A Bidder awarded a contract resulting from a Request for Proposal (RFP) or other solicitation. May also be referred to as Vendor.

Director: Director, Division of Purchase and Property, Department of the Treasury, who by statutory authority, is the chief contracting officer for the State of New Jersey.

Division: The Division of Purchase and Property.

Evaluation Committee: A committee established to review and evaluate quotes {proposals} submitted in response to an RFP and to recommend a contract award to the Director or Deputy Director.

Request for Proposal (RFP): The document which establishes the bidding and contract requirements and solicits proposals to meet the purchasing needs of the State using agencies.

Solicitation: The method by which the Division, or an entity with contracting authority, invites bidders to submit offers in response to a Using Agency's need for goods or services. These may include, but not be limited to, Requests for Proposal (RFP), Requests for Quotation (RFQ), and joining a cooperative procurement agreement.

State Agency: Any of the principal departments in the Executive Branch of the State Government, and any division, board, bureau, office, commission, or other instrumentality within or created by such department.

The Subcontractor has no legal relationship with the State, only with the Vendor {Contractor}.

SECTION 3: OVERVIEW AND GENERAL CONDUCT

This Guide is designed to help Vendors, Bidders, Contractors, Consultants, and other entities familiarize themselves with some key parts of the New Jersey ethics standards as they apply to both themselves and to employees of the Executive Branch of State Government. If you do business with the Executive Branch, are regulated or licensed by, receive grants from, or lobby State agencies, or if you are considering hiring current and former State employees, this Guide is for you.

This Guide is not meant to serve as formal advice or as a substitute for your own legal counsel. Rather, it provides general information and does not have the force and effect of law. It does not replace any laws or rules or regulations, and it does not address every ethical restriction contained in the laws, rules and regulations it summarizes. Further, it does not cover the requirements contained in any particular agency's ethics code. Ethical issues may also be addressed in procurement, personnel, and travel rules, as well as in open meetings, open records, and criminal laws. In addition, members of particular professions (e.g., lawyers and accountants) are subject to their own codes of professional responsibility.

In this Guide, we use the term "State employee" to refer to State officers and employees and special State officers and employees who are subject to the ethics laws and rules discussed in this Guide. As a practical matter, virtually all employees and appointees in the Executive Branch of New Jersey State Government are "State employees."

SECTION 4: GENERAL STANDARDS

As a private sector entity dealing with State agencies, you must not:

- induce or attempt to induce any State employee to violate the New Jersey Conflicts of Interest Law, N.J.S.A. 52:13D-12 to 28, or any code of ethics promulgated thereunder;
- influence, or attempt to influence or cause to be influenced, any State employee in his or her official capacity in any manner which might tend to impair his or her objectivity or independence of judgment;
- cause or influence, or attempt to cause or influence, any State employee to use, or to attempt to use, his or her official position to secure unwarranted privileges or advantages for you or any other person or entity; or
- undertake, directly or indirectly, any private business, commercial or entrepreneurial relationship with, or sell any interest in your business to:
 - a State employee who has any duties or responsibilities in connection with the purchase, acquisition, or sale

of any property, good or service by or to any State agency; or

- any person, firm, or entity with which that State employee is employed or associated, or in which he or she has an interest.

A State employee may apply to the Commission for a waiver of this particular restriction, and the Commission may grant the waiver if it finds that the business relationship does not present a potential, actual, or appearance of a conflict of interest. If you enter into a business relationship that contravenes this rule, you must promptly report it in writing to the Commission. Contact information for the Commission may be found at <http://www.state.nj.us/ethics/about/contact/>.

SECTION 5: CONSULTANTS

Consultants may be used in a variety of ways. Consultants may take on an advisory role and assist State agencies in the development of a scope of work that may form the basis of a Bid Solicitation/RFP. Consultants may also be asked to serve as non-voting technical advisors on an Evaluation Committee once an RFP has been completed and proposals have been received from interested Bidders. While Consultants provide valuable expertise, certain steps must be taken in each of these scenarios to avoid the appearance of impropriety and to protect the integrity of the procurement process.

SECTION 5.1: Consultants and RFP Development

Consultants can provide State agencies with expert assistance in the development of complex technical scopes of work to be used as the basis of an RFP or other solicitation. However, State agencies must be mindful that while consultants may assist in scope of work development, it is ultimately the responsibility of the State agency to develop and deliver the scope of work to the Division. Further, any materials developed by a Consultant during the course of its work remain the property of the State and cannot be distributed to any outside party. Consultants engaged by State agencies for purposes of assisting in RFP development may be required to execute a confidentiality agreement prior to the commencement of work. In addition, Consultants and any parent, subsidiary, or affiliate companies, cannot submit a response to an RFP that the Consultant was hired to help develop.

SECTION 5.2: Consultants and Evaluation Committees

Consultants may assist State agencies in the evaluation of proposals received in response to complex and technical RFPs. In order for a Consultant to be approved to participate in the evaluation process, both the firm as a whole and the individual intending to take part in the evaluation process must complete the *Consultant Personal and Business Relationships Disclosure Form*. These forms, along with the resume of the individual(s) intending to take part in the evaluation process, must be forwarded to the Division's Business Ethics Officer for review and approval. Once approved, Consultants can take part in the evaluation process as a non-voting technical advisor only. Further, any materials developed by a Consultant during the course of its work remain the property of the State and cannot be distributed to any outside party. Consultants engaged by State agencies for purposes of assisting in RFP development may be required to execute a confidentiality agreement prior to the commencement of work.

SECTION 6: GIFTS, FAVORS, SERVICES, AND OTHER THINGS OF VALUE

Do not pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, honorarium or other thing of value of any kind to:

- any State employee or any member of his or her immediate family (i.e., a spouse, child, parent, or sibling residing in the same household as the employee); or
- any partnership, firm, or corporation with which the State employee is employed or associated, or in which he or she has an interest. Some things of value are clear, such as money, stock, debt forgiveness, real estate, or automobiles; but other things of value may be less obvious, including offers of employment, loans, labor, rebates, price discounts, entertainment, or meals.

The effect of this principle is that you must not send holiday gifts, office-warming gifts, tokens of appreciation, or other things of value to State employees or State agencies. In addition, it is improper to invite State employees to meals, parties, sporting events, theatrical performances, and similar social functions.

A State employee can accept items of nominal value from you or contract with you under the same terms and conditions that you offer or make available to members of the general public, provided that the item or contract does not violate any other Commission guideline or a particular agency's ethics code. For example, State employees can take advantage of cell phone rate packages offered to "all public employees" and government rates offered by hotel chains. State employees can also accept nonalcoholic beverages and snack items (e.g., coffee, doughnuts, and cookies) at meetings or site visits, but they cannot accept meals.

If any State employee solicits you for a fee, commission, compensation, gift, gratuity, favor, or other thing of value, you are required to report the occurrence promptly, in writing, to the Attorney General at <https://www.njoag.gov/about/divisions-and-offices/division-of-criminal-justice-home/report-crime/> and to the Commission at ethics@ethics.nj.gov.

State employees may accept payment or reimbursement for travel expenses from a private sector entity under very limited circumstances. In each case, the employee must secure prior approval from his or her agency. The rules governing travel expenses, N.J.A.C. 19:61-6.1 et seq., are available at <http://www.state.nj.us/ethics/statutes/rules/>.

SECTION 7: OFFERS OF EMPLOYMENT

SECTION 7.1: Current State Employees

If you offer a job to a State employee, be aware that job negotiations create a financial interest for that employee. To that end, the employee will no longer be able to act in the State's interest concerning your company. Please also note that State employees must secure prior approval through their management and Ethics Officer for secondary employment. Depending on your relationship with the employee's agency, your employment offer may be disapproved, and the State employee could be screened from taking any official action with respect to your contracts, applications, or matters in the future.

SECTION 7.2: Former State Employees

After leaving State service, State employees are under a lifetime ban against the use or provision of information acquired during their State employment that is not generally available to the public. Further, former State employees are prohibited from representing or assisting a person concerning a particular matter if they were substantially and directly involved in that particular matter while in State employment. There is also a one-year ban prohibiting certain high ranking officials from involvement with any matter involving the former State agency in which he/she served.

SECTION 7.3: Casino-Related Restrictions

The Casino Control Act and the Conflicts of Interest Law place restrictions on the employment of current State employees, their immediate family members, and former State employees and their immediate family members, by holders of and applicants for casino licenses. However, there are statutory provisions that permit waivers of some of these restrictions by the Commission. In addition, there are restrictions on benefits that can be passed to State employees by holders of and applicants for casino licenses. Questions about these restrictions should be addressed to the Commission, at P.O. Box 082, Trenton, New Jersey, 08625-0082, or at ethics@ethics.nj.gov.

SECTION 8: PENALTIES

The Commission has the authority to impose penalties on private sector entities and individuals, and it can refer such cases to appropriate agencies when a violation is punishable by law. Violations of some of the above-described standards can result in the violator's criminal prosecution, and/or suspension, disqualification or debarment from doing business with any State agency.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

- **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

- **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or “doing business as” (DBA) name on line 2.

- **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

- **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

- **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner’s name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.
