2019–2020 Verification Worksheet for Dependent Student

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for a process called verification. Before awarding Federal Student Aid, the Office of Financial Aid will ask you to confirm the information you and your parents reported on the FAFSA. To verify that you provided correct information, we will compare your FAFSA data with the information on this worksheet and/or any other required documents. If there are differences, your FAFSA information may need to be corrected. You and your parent(s), whose information was reported on the FAFSA, must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Financial Aid. Note that we may request additional information. If you have questions about verification, contact the Office of Financial Aid as soon as possible so that your financial aid will not be delayed.
